An eventful year to remember...

1. President Richard Nixon strikes campaign "sock it to 'em" pose with comedy team of Dan Rowan and Dick Martin.

2. Back-diving Dick Fosbury sets high jump record in the Olympics.

3. Pro-football player Rosie Greer helps subdue assassin Sirhan, protecting him from angry crowd, after Sen. Robert Kennedy is shot. Months earlier, Dr. Martin Luther King Jr. was assassinated.

4. Disillusion begins to wither the ranks of hippies as the self-styled "love generation" is degraded by drugs and disease.

5. Miss America 1969 is Judith Anne Ford from the state of Illinois.

6. A historic space venture was the moon-orbit flight of Apollo 8 by astronauts James Lovell, William Anders, and Frank Borman.

7. The war in Vietnam against international communism became the longest conflict ever fought by United States military forces.

8. Mankind marveled as more than 75 heart transplants were performed. Hope also rose for the development of a mechanical heart.

9. Jacqueline Bouvier Kennedy, 39, widow of President John F. Kennedy, weds Greek shipping magnate Aristotle Socrates Onassis, 62.

10. Capt. Lloyd Bucher and his 82-man crew of the captured USS Pueblo were free after months of brutal internment in North Korea.

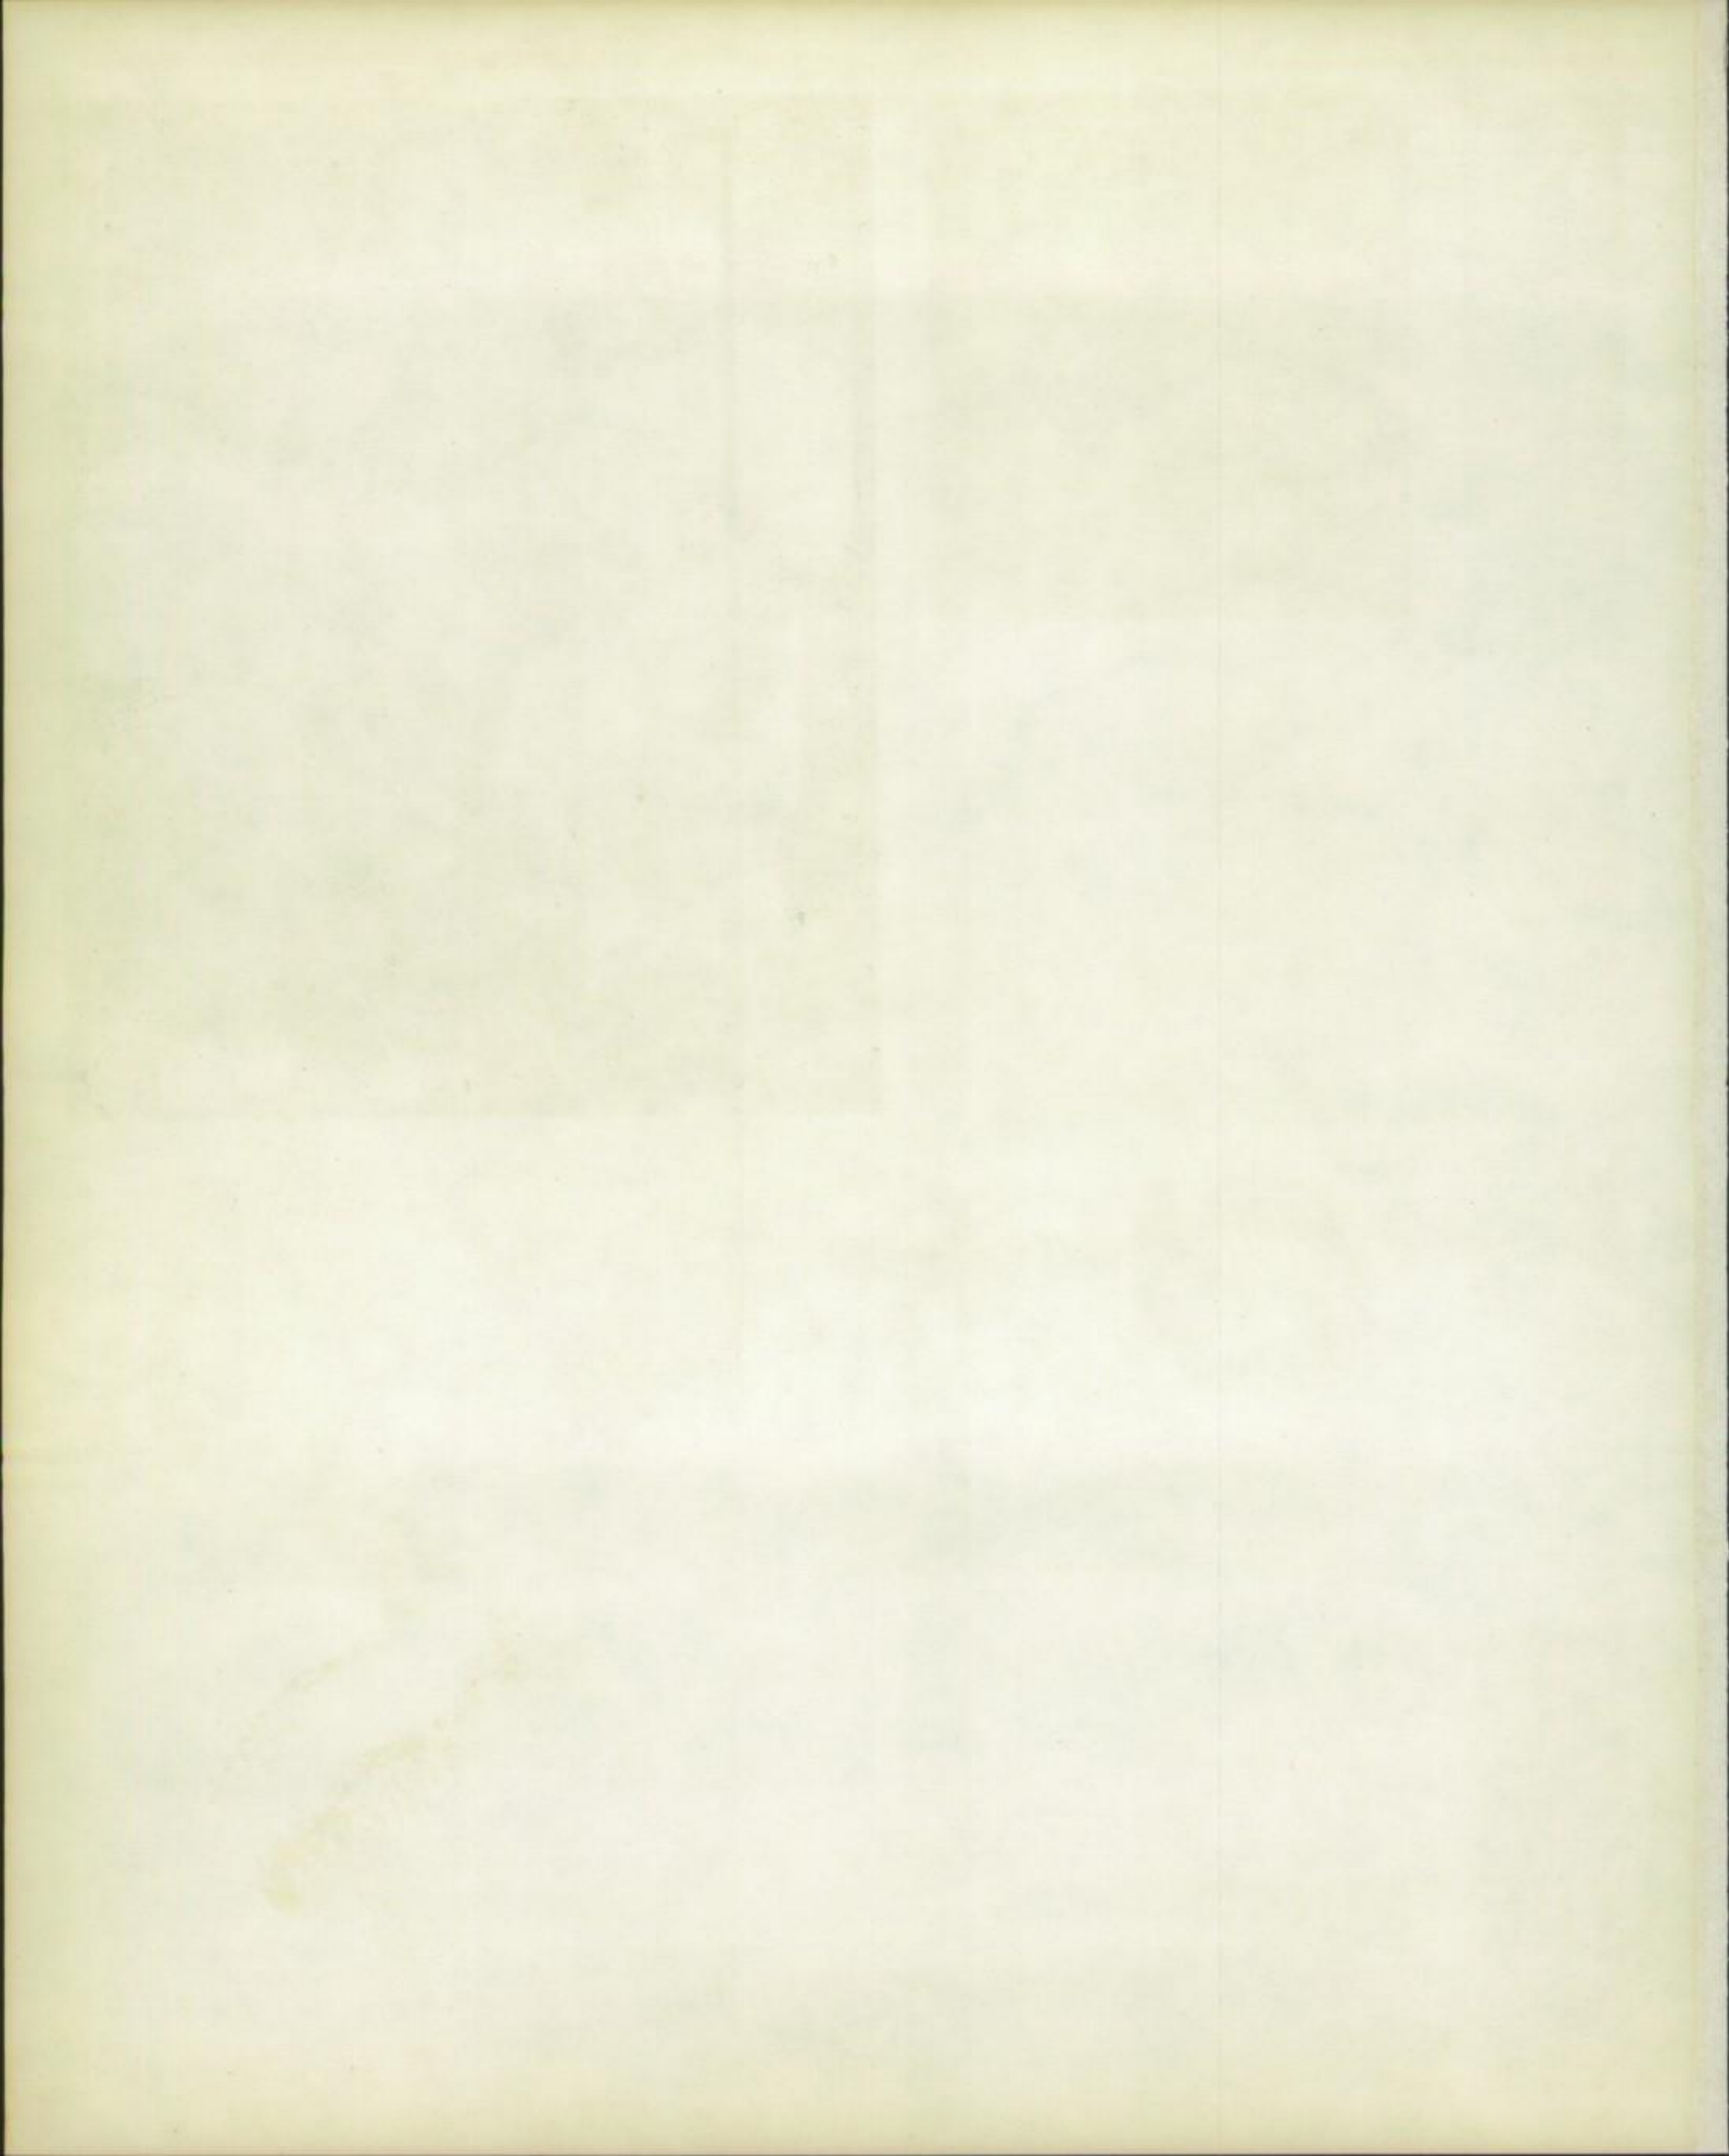

11. The striking teachers' union disrupted the fall term opening of New York City's public school system.

12. Al Kaline swung a big bat as the Detroit Tigers came from behind to defeat the St. Louis Cardinals in World Series play.

13. Wearing their national colors, Czechs protested in vain when Russia invaded to suppress a liberal-minded government.

DEDICATION

The Indian this year is dedicated to Mr. and Mrs. Mortensen, our Annual Sponsors. Without their volunteering their time and own house, the Annual would not have been printed this year. Our sincerest thanks to each of them.

FACULTY

SCHOOL BOARD

The school board working on a contract.

The school bond issue and redistricting were just two of the problems that confronted the school board. These and other decisions kept the board active throughout the year.

SCHOOL BOARD MEMBERS: June Stewart, Glenn Binder, John Wherry, Bob Schilling Jr., Wallace Johnson, Ron Wenninghoff, Dan Hopper, not pictured.

ADMINISTRATION

The administration kept busy this year trying to find room for students. By organizing a student handbook revision committee, the administration gave the students a chance to voice their opinion on school affairs. This gave the students a feeling of responsibility while up-dating the school policies.

Superintendent, Mr. Wenninghoff, finishes sixth successful year at P.C.H.S.

Secretary, Georgia Martin.

JANITORS

The janitors' duties were almost doubled this year due to the new building. They also drove buses at noon and after school. Extra duties were never far away either since the sinks in the lab started to leak and poured gallons of water into the Home Ec room. Add this to broken windows, screens, air conditioners and everything else expendable and you have three busy janitors.

WAY BABY.

The FHA is the organization which crowds into the bandroom each week to talk about its upcoming events.

It got off to a booming start this year with the annual FHA Family Night. The banquet was followed by a style show of junior fashions and initiation of new members. This proved to be a lot of laughs.

Two of the main projects this year were sending cards to the old people and writing to the boys in Vietnam. The latter was enjoyed by most of the girls.

FHA enjoyed many other activities, thanks to the FFA. These included skating parties and hayrack rides.

At the Freshman Style Show, most of the Freshmen got their first experience at modeling by showing outfits that they made themselves.

Thanks to Mrs. Eckman, our sponsor, every girl that is in FHA has had a most enjoyable year.

The selling of Smoke Signals always draws a crowd as the students rush to buy their favorite paper.

The Smoke Signals Staff began the year by taking a survey on suggested improvements in the paper. Some of these were incorporated into the paper which resulted in a widely read edition. New features adding interest were student sound-off, poetry, and original stories.

Popular regular features such as society, class news, profiles, and timely editorials comprised the body of the Smoke Signals.

Mrs. Dokken was the Smokes Signals sponsor.

The Educational Service Unit was given the responsibility of printing all editions.

PC CLUB CHRISTMAS DANCE

The Christmas Dance brought out the good spirits in everyone. The band, Universal Soundtrack, provided good music and fine entertainment.

THE TOP TEN FOR 1968-69

Kevin Binder, Jud Martin, Vaughn Koester, Roger Thieman, Brian Ganzel, Paul Shoemaker, Arden Lang, Randy Howard, Dave Bowman, Bob Sawyer. The lack of a floor at the start of the season contributed to the team's poor start. After getting onto the new floor the team showed great improvement, 10-4. With the Seniors giving the team true leadership and the sophomores giving the team their shooting ability and desire, the team managed to come through with a satisfactory season. The fans were pleased with all the close games. One of the more obvious traits the team exhibited this year was their desire to win regardless of the situation. The ability of the boys to get along with each other was evident on the floor.

Co-Captain, Kevin Binder, receives the District Runner-Up trophy.

Junior, Brian Ganzel, goes high to block opponents shot. The team record for the "69" Basketball season was 11 wins and 8 losses.

Co-Captains Kevin Binder and Brian Ganzel railroaded their team to an exciting and winning season.
